H25* FP SUPPORT	Prevents land actively devoted to agriculture from being annexed without the express written permission of the owner.	1/29 69-0-1	2/11 33-0-2	LAW 2/14/19
H26* FP SUPPORT	Establishes the compliance date for certain regulations for testing and inspection of petroleum underground storage tanks (USTs) .	1/31 68-0-2	2/20 35-0-0	LAW 7/1/19
H38* FP SUPPORT	The primary oversight for food safety and inspections for human food manufacturers falls within the jurisdiction of the federal FDA, under the authority of the Food Safety & Modernization Act (FSMA).	1/31 68-0-2	2/12 35-0-0	LAW 7/1/19
H50	Restores the power of local government to establish an increased minimum wage should the local government decide to do so.	Ways & Means		
H51* FP OPPOSE	Removes the prohibition on the use of eminent domain powers for purposes of developing greenbelts and bike paths.	Ways & Means		
H54	Repeals the training wage exemption in Idaho's minimum wage law which allows age based discrimination.	Ways & Means		
H55	Proposes to incrementally increase the minimum wage in Idaho from \$7.25 an hour to 8.25 an hour effective July 1, 2019; to \$10.50 an hour effective July 1, 2020; to \$12.00 an hour effective July 1, 2021. Wages for tipped employees will increase from \$3.35 per hour to \$4.35 per hour commencing July 1, 2019, \$5.85 per hour on July 1, 2020 and \$7.35 per hour commencing July 1, 2021.	Ways & Means		
H60* FP SUPPORT	Aligns Idaho's cooperative marketing association statute with existing Capper-Volstead .	2/11 68-0-2	2/28 35-0-0	LAW 7/1/19
H61* FP SUPPORT	Authorizes a non-refundable income tax credit for shortline railroad infrastructure, investment and maintenance.	2/12 28-42 FAILED		
H63	Clarifies the definition of dessert wine as a certain kind of wine based on its characteristics, contents and the process of how the wine is made.	2/15 67-0-3	3/06 35-0-0	LAW
H65	Will require that all pending administrative rules shall be affirmatively approved by both the House of Representatives and the Senate, via a concurrent resolution.	State Affairs		
H67* FP SUPPORT	Amends I.C. Section 42-233 to provide the Director of the IDWR with more flexibility to exempt new geothermal water rights if certain conditions are met.	2/13 68-0-2	2/28 33-0-2	LAW 7/1/19

H87* FP SUPPORT	Clarifies I.C. to ensure that all agricultural operations are treated consistently and equitably when agricultural personal property is assessed for property tax purposes.	2/11 67-1-2	2/28 30-3-2	LAW
H94* FP SUPPORT	Provides a layer of safety for the public propane consumer. The safety of Idahoans is put at risk when discount propane providers (DPP's) fill propane tanks already leased to customers by legitimate Idaho propane companies. The DPP's do not conduct safety inspections or leak tests, and very often overfill tanks to dangerous levels. The proposed law will protect consumer safety by restricting the filling of propane gas storage tanks or cylinders to its owner or someone having the owner's authorization.	2/19 56-13-1	3/12 30-3-2	Speaker Signed
H100 FP MONITOR	Requires that all pending administrative rules shall be affirmatively approved by both the House of Representatives and the Senate, via a concurrent resolution.	2/15 53-16-1	State Affairs	
H121* FP SUPPORT (IACI – Potato Committee, J.R. Simplot & Food Northwest abstained)	Creates a time period for a potato processing producer association and potato processor to negotiate, in good faith, an agreement for the purchase and sale of raw potatoes for processing. If a potato processor and potato processing producer association fail to reach agreement within the specified time period, then members of a potato processing producer association may negotiate individually with potato processors.	Ag Affairs		
H122* FP SUPPORT	Adds a new chapter to Idaho Code to enact the Hemp Research and Development Act.	Ag Affairs		
H127a* FP OPPOSE	Allows governing boards of Idaho's 44 counties to determine the means by which they promote the health, safety and general welfare of the people in the unincorporated area of the county. In order to help accomplish that purpose, this legislation will allow every county the option of making a determination as to whether it is necessary, prudent or fiscally responsible to develop a "Comprehensive Plan" or "Land Use Code".	3/12 30-38-2 FAILED		
H141* FP SUPPORT	The Surface Mining Act was enacted in 1971 with the primary purpose to protect the taxpayers and the lands of Idaho by providing for reclamation activities and reclamation bonds for lands disturbed by surface mining activities in the state. The purpose of these proposed changes is to more accurately reflect current industry and regulatory practices. The changes include addressing the surface impacts of underground mines and providing for actual cost estimation of reclamation and related environmental activities. The legislation also includes updating financial assurance methods, requiring financial assurance for reclamation and long-term post closure management activities, requiring reclamation plan and financial assurance reviews, and ensuring that there will be no duplication in financial assurances between government agencies.	2/28 59-11-0	3rd Reading	
H167* FP SUPPORT Senate Only	Amends Idaho Code Section 49-1004 to eliminate specific pilot project routes as established by the Legislature allowing vehicles up to 129,000 pounds gross weight to operate on certain state highways.	3/01 66-0-4	3rd Reading	

H168* FP SUPPORT	Establishes new processes and fees for local authorities and the Idaho Transportation Department to designate routes and issue permits allowing vehicles with gross weights between 105,501 GVW and 129,000 GVW to access highways and streets under their jurisdiction.	3/01 64-0-6	3rd Reading	
H175* FP OPPOSE	Designed to address concerns over due process, conflicts of interest and impartiality in contested administrative proceedings. The legislation updates processes under the Administrative Procedure Act to better delineate preliminary review and initial agency actions from contested case proceedings. In order to provide impartiality in the contested case process, particularly with reference to fact finding, an office of Administrative Hearings is established with an independent chief hearing officer and hearing officers housed in the Department of Self Governing Agencies.	Jud, Rules & Admin		
H176 FP MONITOR	Updates the definition for "grower," "shipper," and "processor" in state law for the Idaho Potato Commission, restricts rule promulgation related to this statute change for one year, and goes into effect immediately after passage and approval.	3/01 65-0-5	3rd Reading	
H183* FP SUPPORT	This legislation removes three sections of the Internal Revenue Code (IRC) that grant corporate deductions from being added back into the calculation of Idaho corporate taxable income. The result would be to allow the same deductions received at the federal level and at the state level regarding corporate taxation. Each multinational employer with tax liability in Idaho will have a complicated blend of credits and deductions based on a variety of factors, including where the product was manufactured, where the product was sold, the tax rates of various countries, and if the foreign earnings generated are attributable to either tangible (such as cash) or intangible (such as intellectual) property.	Rev & Tax		
H184* FP SUPPORT	This legislation will raise the expenditure levels required of a local governing entity from \$100,000 to \$150,000 before that entity is subject to an audit.	3/1 65-0-5	3rd Reading	
H207 FP SUPPORT	This legislation adds a new chapter to Idaho Code to promote the availability of all types of compensatory mitigation for project impacts to wetlands, consistent with the federal 2008 Mitigation Rule.	3/06 70-0-0	3rd Reading	
H213 FP SUPPORT	This is the FY 2020 original appropriation bill for the Soil and Water Conservation Commission.	3/04 67-0-3	3/12 33-0-2	Speaker Signed
H243 FP OPPOSE	Reestablishes the index on the Idaho homestead exemption, removing the cap of \$100,000.	Rev & Tax		
HCR9 FP SUPPORT	Idaho has a tremendous resource in its many rivers, lakes and dams. These greatly contribute to the power produced in Idaho. The purpose of this resolution is to recognize that Idaho's hydro power is clean, reliable and renewable. It is also key to our energy portfolio moving forward.	3/04 Adopted Voice Vote	3/12 Adopted Voice Vote	Speaker Signed
HCR10* FP SUPPORT	Expresses support for the settlement agreement between the cities, the surface water coalition & the members of the Idaho Ground Water Appropriators. The settlement resolves remaining issues, avoids curtailment, and maintains stable groundwater & surface water supplies on the Eastern Snake Plain Aquifer. The resolution further supports the continued efficient management of the water supplies within the ESPA.	2/18 Adopted Voice Vote	3/11 Adopted Voice Vote	President Signed
HCR11 FP SUPPORT	Recognizes the 100th Anniversary of the founding of the Idaho State Department of Agriculture & the outstanding service that employees past & present have provided to the agricultural industries across Idaho.	2/14 Adopted Voice Vote	2/25 Adopted Voice Vote	To Sec of State
HJM 4* FP SUPPORT	Supports efforts to designate the raising of Anderson Ranch Dam as a priority for the State of Idaho in the interest of promoting additional water security. The raising of Anderson Ranch Dam would provide an additional 29,000 AF of water storage on the Boise River. The memorial urges our congressional delegation to ensure completion of the feasibility study & NEPA analysis in a timely manner & to advance the project through any additional congressional action necessary, including the provision of further WIIN Act funds.	2/18 69-1-0	3/11 Adopted Voice Vote	President Signed
S1005a	Adds language identifying conduct that may be considered labor trafficking and further defining "force, fraud or coercion." The language is intended to provide guidance to law enforcement and prosecution for the types of conduct that may be considered human trafficking under Idaho law.	3rd Reading	2/21 34-0-1	
S1024* FP SUPPORT House Only	This requires growers to estimate acreage they expect to burn without knowing field, soil, air quality, or weather conditions that could prevent them from burning.	2/18 69-0-1	2/06 35-0-0	LAW 2/26/19
S1037a FP MONITOR	Expands the existing authorization to access private lands to include private land surveyors. Licensed professional land surveyors are the only persons authorized by Idaho statute to provide legal surveys of private property boundaries.	3rd Reading	3/04 28-7-0	
S1039* FP SUPPORT	The Idaho Wolf Depredation Control Board Statute is set to sunset on 6/30/20. Action will need to be taken this year if the Board is going to be extended beyond its sunset date.	2/18 51-19-0	2/07 30-5-0	LAW 7/1/19
S1041* FP SUPPORT	Ground water districts exist principally to protect their members' water rights from curtailment by developing and implementing mitigation plans, the costs of which are assessed to the district members. with mitigation plans approved by the Idaho Department of Water Resources.	2/19 69-0-1	2/07 35-0-0	LAW 7/1/19
S1045* FP SUPPORT	Provides for inmate trainee participation in work training programs offered through the Idaho Correctional Industries (ICI). The bill will offer training stipends for participants in the programs but states that inmate trainees are not employees of the Idaho Department of Corrections (IDOC) and are not entitled to worker's compensation or unemployment compensation. It will amend section 20-413A, Idaho Code to provide for contracts for agricultural training programs for inmate trainees.	Jud, Rules & Admin	2/20 35-0-0	
S1056a* FP SUPPORT House Only	The Ground Water District Act, Chapter 52, Title 42, Idaho Code, expressly authorizes the director to undertake enforcement against ground water users who fail to pay assessments, but it does not expressly authorize the director to undertake enforcement against users who fail to comply with mitigation obligations. This legislation authorizes ground water districts to apportion mitigation obligations among their members in a manner comparable to assessments. Authorizes the director to curtail ground water users that have failed to comply with the apportionment of mitigation obligations imposed by ground water districts.	Res & Con	3/12 33-1-1	

S1063* FP SUPPORT	This legislation extends for five years the surplus eliminator that was originally created in H312aaSaaS (2015) and extended in S1206 (2017) until May 30, 2019. Consistent with the changes adopted in 2017, the funds transferred as a result of this legislation will be split equally between state savings and transportation. The Budget Stabilization Fund (BSF) would receive 50% of the funds, and the other 50% would be split between the Strategic Initiatives Program (SIP) within the Idaho Transportation Department (60%) and the local strategic initiatives fund administered by the Local Highway Technical Assistance Council (40%). S1066 FP MONITOR	Replaces the current 5 tier system of registering all commercial and farm vehicles having a maximum gross weight in excess of 60,000 pounds. This legislation establishes a base fee or a plate fee of \$280, which is an annual registration fee and shall be due on the anniversary date of the vehicle's registration. In addition to the registration fee, there shall be paid on all commercial and farm vehicles having a maximum gross weight in excess of 60,000 pounds, a mileage fee based upon the maximum gross weight of a vehicle as declared by the owner and the total number of miles driven. The mileage use fee shall be determined by multiplying a cost-per-mile charge by the total miles driven in Idaho.		Trans	
S1067 FP MONITOR	Replaces the current 5 tier system of registering all commercial and farm vehicles having a maximum gross weight in excess of 60,000 pounds. This legislation establishes a base fee or a plate fee of two-hundred eighty dollars (\$280), which is an annual registration fee and shall be due on the anniversary date of the vehicle's registration. In addition to the registration fee, there shall be paid on all commercial and farm vehicles having a maximum gross weight in excess of 60,000 pounds, a mileage fee based upon the maximum gross weight of a vehicle as declared by the owner and the total number of miles driven. The mileage use fee shall be determined by multiplying a cost-per-mile charge by the total miles driven in Idaho.		Trans	
S1078* FP SUPPORT	Clarifies in Idaho Code the allowance of a craft brew facility in Idaho to contract with other entities wishing to brew at their facility.	3rd Reading	3/01 28-4-3	
S1082* FP SUPPORT (Idaho Farm Bureau & Milk Producers of Idaho abstained)	This bill amends Idaho Code §§ 25-1122 and 25-1160 establishing increased maximum fees for ownership and transportation certifications; increased maximum brand inspection fees for, horses, mules, and asses; to provide for equine farm service fees; and to make technical corrections. Section 25-1122 specifically sets the maximum amount for the ownership and transportation certificate to be \$75.00. Section 25-1160 raises the cattle inspection fee from \$1.19 to \$1.25, and the maximum fee that can be charged to \$10 for each head of horses, mules, and asses. Finally, § 25-1122 determines that the equine service fee shall not exceed \$55.00	3rd Reading	2/27 34-0-1	
S1083* FP SUPPORT	Amends Idaho Code to clarify that the protections and obligations of water delivery rights of way extend to the operator of that right of way, in addition to the owner.	3rd Reading	2/27 34-0-1	
S1084* FP SUPPORT	Amends or repeals Idaho Code to remove certain reporting requirements. Historically, these reports have not been submitted to the Idaho Department of Water Resources and they are not necessary for regulation by the Department of Water Resources. Reporting necessary for water right regulation are not affected by this amendment.	3rd Reading	2/25 35-0-0	
S1085* FP SUPPORT	Amends Idaho Code § 43-303 in two ways to make it consistent with current law. First, the language is amended to align timeframes with Idaho's open meetings law and to clarify that decisions at board meetings are based on a majority of the board members present (when a quorum exists). Second, the language is amended to conform with a decision from the Idaho Fourth Judicial District in Tribune Publishing Co. v. Boise-Kuna Irrigation District (Case No. 63836) (Aug. 16, 1978).	3rd Reading	2/25 35-0-0	
S1086* FP SUPPORT	Amends Idaho Code to clarify that the rights to remove and/or deposit debris from water delivery rights of way extends to vegetation within the rights of way.	3rd Reading	2/25 35-0-0	
S1087* FP SUPPORT	Idaho Code 42-1607 establishes that the owners of flowing artesian wells that waste water without beneficial use are responsible to prevent the waste of water through repair or, if necessary, plugging the wells. The Idaho Department of Water Resources (IDWR) has stated that it intends to activate initiatives to repair or plug flowing artesian wells. This proposed legislation removes outdated language in the statute, while maintaining the option for the Director to implement a cost-share program. The statute will continue to recognize that the owners of the flowing artesian wells have the responsibility for repairing or plugging the wells.	2nd Reading	3/08 35-0-0	
S1089* FP OPPOSE	Recreation is Idaho's third largest industry. Access to hunting, fishing, motorized trails, hiking and all other forms of recreation is vital to the economy and outdoor culture of Idaho. Current laws to prevent individuals from communicating that public grounds are private, or from physically blocking access to public grounds, go unenforced due to resource constraints of enforcement authorities. This legislation adds a civil remedy to address violations of intentional access obstruction, to ensure public access while addressing law enforcement constraints.		Res & Env	
S1106* FP SUPPORT	This legislation modifies Title 33 to clarify that career technical education includes all secondary, postsecondary, and adult courses, programs, training and services, irrespective of instructional delivery method. This bill clarifies that virtual Career Technical Education (CTE) programs which meet the same quality requirements and demonstrate compliance with the Idaho CTE Initiative may be authorized by Idaho CTE. This modernizes CTE language to include all instructional delivery methods and better positions Idaho to meet demands of modern-day workforce.		14th Order	
S1125* FP SUPPORT House Only	Brings the commodity warehouse operator requirements for warehouse receipts up to date. Hand-written department provided forms, and electronic receipts will have equal legally binding requirements. These electronic receipts must be USDA approved, accessible to Idaho State Department of Agriculture (ISDA) and all costs of implementation and costs related to electronic warehouse receipts are the responsibility of warehouse owners and/or associated dealers.	3rd Reading	2/26 34-0-1	

S1126* FP SUPPORT	This legislation extends for five years the surplus eliminator. Consistent with the changes adopted in 2017, the funds transferred as a result of this legislation will be split equally. The Budget Stabilization Fund would receive 50% of the funds, and the other 50% would be split between the Strategic Initiatives Fund programs within the Idaho Transportation Department (receiving 60% of the 50%) and the Local Strategic Initiatives Fund administered by the Local Highway Technical Assistance Council (40% of the 50%). In addition, the legislation places a \$100 million cap on the surplus eliminator with a 50% / 50% split between the Strategic Initiatives Fund programs and the Budget Stabilization Fund, up to a total of \$50 million per fiscal year for each fund. S1145* FP SUPPORT House Only	This is the FY 2020 original appropriation bill for the Office of the State Board of Education, Agricultural Research and Extension Service.	3rd Reading	3/06 34-0-1	
S1151* FP SUPPORT	Places a cap on the amount paid on any single claim to not exceed ten percent (10%) of the annual Expendable Big Game Depredation Trust Account appropriation for that fiscal year.	Res & Con	3/12 33-0-2	
S1152* FP SUPPORT	Brings Idaho into line with the many other states that have historically exempted patronage capital credits from unclaimed property statutes and allow these cooperatives to decide how to deal with their unclaimed capital credits and either be exempt from or subject to the State's unclaimed property laws as they choose.	Business	3/11 34-0-1	
S1153	Will clarify the relationship between lobbyists and their employers or clients, and provide for a clear process for electronic filing of reports and notification of filing to employers or clients.	State Affairs	3/12 33-0-2	
S1159* FP SUPPORT	Increases voter involvement in the voter initiative/referendum process and to require additional explanatory information during the process and on the ballot.		State Affairs	
SJM101 FP SUPPORT	Requesting that Congress, the President, the Department of the Interior, the Department of Agriculture and the United States Forest Service respect and acknowledge Idaho's sovereignty over its water rights, its rights of way for use of water rights, and its desire to remove bureaucratic roadblocks that interfere with Idaho water users' use of their water rights.	Res & Con	2/14 Adopted Voice Vote	
SJM103 FP SUPPORT	Urges Congress to ratify the agreement of the United States-Mexico-Canada Agreement (USMCA) as soon as possible. It also encourages President Trump's administration to renew its original waiver on steel and aluminum tariffs for Canada and Mexico. This Memorial also calls on Mexico and Canada to remove retaliatory tariffs on all United States goods and services.	State Affairs	2/25 33-1-1
